**Subject:** RE: Chemist Request

Hi Kate,

I will be in Suffolk Superior today at 1:30pm. I will try to bring the discovery packet with me and leave it at the ADA office. As for 12/1, I have several conflicts, but fax over a summons and keep us ON CALL. We will try our best and may you can get it continued.

Please keep us updated.

Thanks,

Annie

**Subject:** Chemist Request

Hi Annie and Kate,

I have a case that is scheduled for trial on 12/1 and I was wondering if you are available to testify in superior court. I know how busy you guys are and I apologize for the late notice- the case was supposed to plead out, but the plea fell through today. The lab numbers are [REDACTED] and the defendant's name is [REDACTED]. I can put you on call if that would be easier. If I could also have my investigator pick up the packet with all of the analysis information, that would be great. Thanks so much for your help and let me know if you need any more info.

Thanks,

Kate Hinman
